Dear classmate,

We all remember where we were on certain important days of our lives, such as weddings, births, and deaths. We also have vivid memories of where we were when we heard of catastrophes—*Pearl Harbor or President Kennedy's assassination.*

Now, a happy occasion is coming in September, one that you are sure to remember fondly as time goes by. This occasion is the 60th reunion of our class of 1951.

Our committee is busily planning this gala event. We're letting you know this far in advance so that you can mark the date on your calendar now. This way you'll be able to plan social (and medical) commitments in order to keep that weekend free.

Here are the details:

Date: Saturday, September 17, 2011
Place: The Old Mill, Route 2A in Westminster
Time: 4 to 8 P. M.
Dinner: Buffet style
Cost: \$25.00

If you plan on staying at a local hotel, we recommend the Sheraton Four Points, at 978-543-9000 or the Marriott Courtyard at 978-342-1797.

As you know, these reunions only come up once every five years, so don't pass up this opportunity to renew old acquaintances. This will be your *only reminder, so please return the enclosed form.*

Please respond by August 31, 2011.

Sincerely,

Candido Caligaris
